

dear FHS class of 1965,

well i did it everybody! i, mandy shinsato, have completed college. i will be receiving my associates degree in marketing. im graduating with a 3.85 gpa. i know that it is not perfect but i tried my best and i honestly worked really hard for this. at times it was difficult but im so glad that i stuck to it and accomplished one of my goals.

i am working now as a junior sales rep. for a company called applied graphics. we specialize in customized promotional products, meaning just the sales side of it. we work along with the marketing departments of large companies to help them develop programs to promote their business. i really enjoy what im doing and im well taken care of.

i couldn't be in the position im in today if it weren't for the generous help from the class of '65. thank you all so much for your support. i really appreciate all you have done for me. thank you again from the bottom of my heart! take care of yourselves. aloha!

sincerely,
